OCTOBER 2023 LARNAKA

13 FRIDAY, 18.00-22.00 | 14 SATURDAY, 18.00-22.00

15 SUNDAY, 16.00-20.00

We are proud to announce the third edition of **Ksoporti Art Weekend**, which is taking place October 13-15, 2023 in the city of Larnaka!

Explore Larnaka's art scene by visiting local contemporary artists and galleries as they collectively open their studios and exhibition spaces! This is an opportunity to meet the artists in person, to immerse yourselves into their work environment, and to see temporary and permanent gallery exhibitions. Ksoporti Art Weekend brings together a range of artists, from painters and sculptors, to street artists and multidisciplinary artists- in an endeavour to reflect Larnaka's diverse and booming artistic world.

The event is comprised by a number of different locations in the heart of the city, depending on where the galleries and studios are situated, which you can visit by following our carefully tailored map. A digital map can be found on our website www.ksoporti.com, and hard copies will be provided at every location on the days of the event.

Entrance: Free
