The themed sections of each workshop intend to approach the arts more broadly, yet effectively, whilst concentrating on original areas of artistic development. The encouragement of both organised and spontaneous performances executed by students and instructors, as well as the productive exchange of ideas and experiences between artists, students and participants of varied backgrounds, are part of the desired effects of the village. The creation of a long-lasting hybrid, artistic community, characterized by solidarity, both in the fields of collective creativity and in the production / distribution of artistic work is promoted.
